We are very excited to announce that the Sullivan High School Athletic Department has partnered with FinalForms, an online forms and data management service. FinalForms allows you to complete and sign athletic participation forms for your students. The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time.

You may review your data at any time to verify it is current. You will be required to sign your forms once per year and after any update.

If you require any support during the process click on this link: <mailto:support@finalforms.com>

We are asking that ALL parents of athletes use FinalForms.

Thank you for your assistance in streamlining our paperwork processes at Sullivan High School.
