OVERVIEW

Eligibility: A cash award of $1,000.00 will be awarded to any person with a high school diploma or equivalent who resides in Turman Township and who wishes to obtain a post-secondary education or training. The scholarship will be awarded regardless of race, creed, national origin or religion.

Terms: Proof of academic achievement must accompany an application—for a recent high school graduate a transcript could be used; for a home schooler or a recipient of a GED, proof of a competency score could be used; for someone currently attending a post-secondary institution, a high school and college transcript must also accompany the application. Two letters of recommendation will be required—the first by someone who can comment on your academic history and achievements (perhaps a school teacher); the second by someone who can comment on your leadership, community service, and/or personal accomplishments (someone other than a former teacher). Any application which arrives without proof of academic achievement and two letters of recommendation by the application deadline will not be considered as eligible to qualify for the scholarship. Applicants may be contacted for a personal interview with the scholarship committee as part of the scholarship process.
